ONE TIME NON-REFUNDABLE FEE \$25.00          DATE PAID \_\_\_\_\_

**As of October 2022, The City has closed community recycling stations and will be offering curbside recycling.**

I have read the above and agree to a \$5.00 monthly charge. I also understand that non-payment will result in the curbside recycling can being removed from my residence/business. To reinstate service, your monthly bill must be paid up to date. All materials in the can must meet the requirements as stated on the attached recycling flyer and the City website. Please contact City Hall if you wish to discontinue recycling services.

The City plans to provide pick up the first and third Mondays of each month. In the event of Holiday conflict please check the City Website.
