

Art Weave

Fabric art with large scale art prints

Instructor: Veronica Hofman-Ortega
www.FiberAnticsbyVeronica.com

Release your inner artist and create fabric art using beautiful hand-designed fabric from Frond Design Studios. For the class project, we'll use an easy, no-sew technique that anyone can master. Come to this class and make art with fabric!

Supplies

- Fabric scissors
- Acrylic ruler (12" or longer)
- Painters tape or masking tape
- Sharpie marker
- Paper scissors for cutting masking tape
- Quilt basting safety pins
- Kwik Klip basting tool (optional but very helpful)

Fabrics

A fabric kit (required) will be provided in class. The kit fee of \$25 is payable to the instructor at the beginning of class. The kit includes enough fabric to make two Art Weave pieces.

Students will complete one unquilted fabric art piece in class. Ideas for quilting and finishing will be discussed.
