Ringgold Depot Gets Much Needed Upgrades

The Ringgold Depot may be a historic building, but its bathrooms don't have to be! The last time the Depot facilities underwent an upgrade was nearly 4 decades ago, and with the building being a popular event venue, the restrooms were in dire need of an update. The project, which includes new tiling, hardware, partitions, and other features, is currently underway and is expected to be completed by mid-July. The restrooms at the Benton Coal building have also recently received a facelift, and they are now open to the public 24/7.

How to Beat the Summer Heat

With exceptionally high temps already here, we're going to be in for one hot Summer season in Ringgold, but there are many ways to beat the heat! While staying indoors is sure to keep the heat in check, there's no need to miss out on all the outdoor Summer fun. Rabbit Valley Farmers Market will be splishin' and splashin' on July 5th and 19th with their Summer Splash Markets, so cool off in the water after you shop. Want to be out in nature but dread the sweltering conditions? Take in Ringgold's natural beauty from a comfortable position on the Chickamauga Creek. Stop by Kayak Ringgold for kayak and tube rentals, or bring your own to enjoy a relaxing ride down the Creek. With family passes, party rentals, and more, the Martha Denton Swimming Pool is another great way to chill out this season! So, have some fun in the sun (or the shade) this Summer in Ringgold!
