Ringgold's Water Revamp Crucial Water Line Replaced for Residents

If you've noticed recent construction on Highway 41, you're watching Ringgold get a new and improved water supply! 90% of City residents receive their water from a single line running from the Water Plant to Peters Lane, and this line was installed over half a century ago. Now that it has reached the end of its life, the Mayor and Council approved a critical replacement of the line, which is scheduled to be finished in August. The City received a \$3.7 million loan, with \$3.3 million of this loan receiving principal forgiveness, which dramatically reduces the project's dependence on user fees.

Perfect Playhouse Productions

Things are heating up for The Ringgold Playhouse this Summer! Whether you prefer comedies, musicals, mysteries, or more, TRP has something extraordinary in store. First up is the June production of *The Musical Comedy Murders of 1940*, which, despite the name, is a comedic play! The play follows a group of Broadway flops getting ready for their next show, but as they prepare for their performance, a masked slasher begins picking off the cast one by one. *The Musical Comedy Murders of 1940* is showing June 5th–8th at the Ringgold Depot. Then, next month, TRP will bring Stephen Sondheim's *Into the Woods* to life on the Depot stage! This musical will be showing July 17th–20th and July 24th–27th for a total of 8 performances.
